Miss Carlson,
Care Bolton & Jones,
Santa Barbara, Cal.

Dear Miss Carlson:-

A lot of things have conspired to make it impossible to bring out the second book of "Spanish Songs" before the Holidays as I had fully intended. Now, I presume the best I can do will be about the first of February.

You may be sure I will advise you as soon as they are issued. In the mean time I hope you will be able to drum up, with that fine initiative and drive of yours especially good sale for Christmas time and New Year's on the present first book.

Wishing you the compliments
of the season,

Sincerely Yours,

CFL/MD
